

002

An **extra-wide** scrim material with hexagonal open mesh, with **Sprinkler** (VdS) certification, combining **acoustic transparency** with **B1 flame-retardant** rating and a light **stretch** quality.

The 5 m width (can be stretched to 5.15 m) lets you cover sizeable areas without panel seams.

This scrim is particularly appreciated for making **ceilings for stands** at fairs and tradeshow.

You can also use it for **dressing structures** (the open weave lets you place it on front of speakers), or even as a totally original **projection screen**.

This **washable** scrim is ideal for use both indoors and **outdoors**.

Technical data	Value	Notes
Mesh size	5 x 3 mm	(Mesh un-tensioned)
Width	500 cm	Stretches up to 515 cm
Weight	90 g/m <sup>2</sup>	
Thickness	0.72 mm	
Flame-retardant rating	 B1	Standard: DIN 4102-1
Sprinkler	VdS certification	
Composition	100% Trevira CS	
Roll length	± 50 m (centre-folded, bales)	Cut-to-length possible

## Additional information

Care: No care instructions were provided by the manufacturer  
We recommend testing a sample piece before washing this product

## Additional information

### Directions for use

Can be tensioned by stapling

Can be made up with all finishing options (eyelets or rivets, tabs, sleeves and channels, hems, velcro, etc.) in our workshops

### Recommended use

Stand canopies (Sprinkler certified), dressing structures, etc.  
Indoor and outdoor use
