

Metallic Scrim

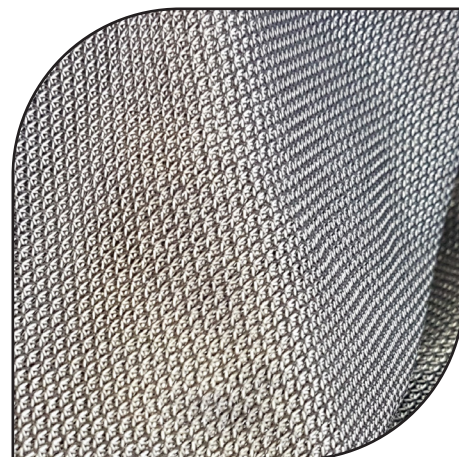

Ref: 2102

A **light** material with a **silvery metal** look, **rated B-s1,d0 flame-retardant**, and offering a useful **stretch** along its length.

The chainmail effect makes this **decorative** fabric ideal for **curtains** in spaces with a contemporary or industrial design feel. Why not try some daring lighting effects to get maximum impact from this voile? Make a feature out of its **transparency**, or create **opaque** walls with a metallic effect. It can also be used for the most original and creative set designs as a screen for **front-projection** or **rear-projection**.

This 100% **Trevira CS** material is **washable** and can be used both indoors and **outdoors**.
