

This **light, semi-transparent** voile has a light and slightly more pronounced weave than classic voiles to let the light filter through. The smooth, **fine** finish evokes cheesecloth muslin.

This amazing **value** textile is **M1 flame-retardant** rated and is particularly suited to making **curtains** and **voiles**, but also for **events decoration** and **stage sets and scenery**.

100% Trevira CS, this voile is particularly **hard-wearing, washable** and suitable for use **indoors** and **outdoors**.
