

# Galaxie Voile 50%

Ref. 4703

A light, diaphanous voile with a **metallic appearance**, available in six shimmering colours and rated **M1 flame-retardant**.

The mix of 50% lurex and 50% translucent fibres give a sparkle effect combined with a **pleasing transparency**.

This voile is also available in crinkle version for surprising lighting effects (Ref. 4910 - Crinkle lamé).

The standard silver or iridescent colours make this one of our leading **decoration** products for Christmas and new year festivities, but this voile is also suited to making **curtains**, banners and wall-hangings **stage sets and scenery**, etc.

It is generally recommended to protect this flame-retardant polyester voile from the elements.
