

Saturne Voile 100%

Ref. 4704

A light voile with a **shiny metallic finish**, available in five shimmering colours and rated **M1 flame-retardant**.

100% lurex fibres give an intense metallic effect with a **moderate transparency**.

This voile is also available in crinkle version for surprising lighting effects (Ref. 4910 - Crinkle lamé).

While its standard gold and silver versions are best-sellers in our **decorative** range for Christmas and new year festive events, this voile is also widely used for **stage sets and scenery, curtains, hangings and banners**...

It is generally recommended to protect this flame-retardant polyester voile from the elements.

Standard colour range:

090

092

Full decorative colour range:

(sold by the roll of 60 m; additional delivery time may be required depending on quantity and colour)

200

700

800
