

Fun Ripstop Sail Cloth

Ref. 4901

A real essential, this translucent ripstop **sail cloth** is available in an impressive range of **bright colours**. With **M1 flame-retardant** rating, this fabric with a "tracing paper" effect features a **square weave** in matching colour. One of its 2 faces is specially treated for **printing**, offering a brighter finish than the other more matte face. Without printing it can be used identically on both sides. Traditionally used for creating inflatable structures, this versatile material is also ideal for making **stage sets**, decorative **curtains**, and for **dressing stands** and other **structures...**

Its translucent appearance makes an excellent light **diffuser**, and it also makes a great way of **creating innovative projection** and **rear-projection** screens. 100% FR Polyester, this sail cloth is **washable** and can therefore be used both **indoors** and **outdoors**.
