

Fun XL Ripstop Sail Cloth

Ref. 4901

Azur Scenic

002

The last word in translucent ripstop **sail cloth** available in **2 large widths**, perfect for large-scale projects by limiting the panel seams. With its "tracing paper" effect this material features a **square weave** in white-on-white.

Certified flame-retardant (without M1 rating report), it complies with safety standards for public spaces.

Traditionally used for creating inflatable structures, this versatile material is also ideal for making **stage sets**, decorative **curtains**, and for **dressing stands** and other **structures...**

Its translucent appearance makes an excellent light **diffuser**, and it also makes a great way of **creating innovative projection** and **rear-projection** screens.

100% FR Polyester, this sail cloth is **washable** and can therefore be used both **indoors** and **outdoors**.

Our collection also features Fun Ripstop Sail Cloth in 160 cm width with M1 rating and available in 9 colours.
