

# Backstage Cotton

Ref: 6207

**Double-sided material with M1 flame-retardant rating**, ideal for making **legs and borders, black boxes, covering flats**, etc.

Woven in **matte satin** mesh, this fabric is brushed on one side to give **2 distinctive looks**. Use both sides according to your design requirements.

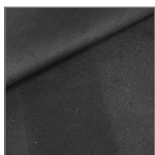

Backstage Cotton lets you make **hard-wearing** curtain designs with excellent **opacity** (compared with classic brushed cotton for example) while remaining **great value**.

This flame-retardant cotton material is recommended for indoor use.
