

A **washable Trevira CS version** of our outstanding Picasso Canvas.

Paintable canvas with **M1** flame-retardant rating, available in several widths allowing you to make the **largest backdrops without panel assembly** (up to 6 m).

This **super-versatile** cloth is perfect for making **cycloramas** - a light, easy-to-handle alternative to PVC cycloramas, **reflectors** as an excellent **diffuser**, and even for **curtains, stage sets**, and more... In addition to these remarkable qualities as a great base for making painted backdrops, it's also a perfect surface for **front projection** and **rear projection**.

100% Trevira CS, this fabric can be used both indoors and **outdoors**.
