Lengths	100 m Rolled full-width	Available to buy cut-to-length for standard colours
Tensile strength	Warp: 480 N/cm Weft: 250 N/cm	

## Additional information

### Appearance

Textured crepe weave  
Similar satin gloss appearance on both sides

### Care

Vacuum clean, soft dry brush.  
This textile is dyed with pigments that do not penetrate the fibreglass.  
The colour is more of a finish or coating that sits on the surface of the fabric.  
The colour may therefore fade or be altered during cleaning or washing.  
We **strongly advise against machine washing** this item.  
However, if washing proves unavoidable, ensure that you carry out a washing test on a sample beforehand and comply with the following conditions:

### Recommended use

Stage curtains, decorative curtains, etc.  
Indoor and outdoor use
